Museum Tours

Lehigh Valley Heritage Museum, Allentown

1 hr Up to 50 Year-round
visitors

Guided adult tours explore the entire museum, including both the Lehigh Valley exhibit and the changing exhibits.

Special Museum Exhibits

- **Presidential portraits**, rare campaign buttons, and authentic commemorative pieces related to individual presidents tell the story of the American presidency.

- Discover the geology of the Lehigh Valley and how it shaped the lives of local **Native Americans**. Explore how archaeologists learn about Native American life.

- Explore the inspiring life and legacy of **General Harry C. Trexler**, industrialist, conservationist, and philanthropist in this exhibit. Learn about his many interests, hobbies, and business pursuits.

Claussville One-room Schoolhouse, Orefield, PA

1 hr up to 30 May- Oct.
visitors

Built in 1893, this one-room schoolhouse teaches visitors about education in the days of the “3 Rs”—reading, ’writing, and ’rithmetic.

Haines Mill, Cetronia, PA 1 hr up to 50 visitors April-Oct.

Your tour of this mill takes you back to the 1920s. Discover the importance of flour mills.

Historic 1756 Troxell-Steckel Farm, Whitehall Twp., PA

1½ hr up to 50 May-Oct.
visitors

Experience an 1842 Pennsylvania German farm as you explore an authentic farm house and historic barn displaying Pennsylvania German furnishings, folk art, and tools of the era.

Lock Ridge Furnace, Alburdis, PA

1 hr up to 50 May-Oct.
visitors weather permitting

Twelve-hour shifts, hot dangerous work, and company houses tell *the story of the Industrial Revolution*. Explore the lives of 1910 ironworkers as you tour an iron furnace and company town from a vanished era.

Saylor Cement Museum Coplay, PA

1 hr up to 50 May-Oct.
visitors weather permitting

Lehigh County resident David O. Saylor earned the first American patent for Portland cement, the type still used today. *Learn how Lehigh Valley cement built America’s iconic cities.*
